Arcadia WI Schools • 2013 Planning Project • 4/24/13 *Community Session (N = 36) : Vision & Priorities*

Step #1: Write items for your new Vision here.

In five years, we will have developed, delivered, & be recognized for...

- Graduating highly successful citizens who impact society in a positive way
- Exemplary academic achievement, especially reading
- Students that are proud to say that they graduated from Arcadia
- Instilling a good work ethic in our students
- An anti-bullying program that is effective & enforceable

Step #2: Identify between 4 & 6 near-term Priorities.

- 1) Space shortages at elementary
- 2) Develop a strong reading program emphasizing K-8
- 3) Provide adequate professional development
- 4) Build parent/teacher communication/partnerships to work towards shared goals and add community
- 5) Provide staff with resources and training to achieve student success
- 6) Excellent administration/management directing high quality, highly motivated staff
